

**Finally! At the end of a long day
I have a moment to submit
my vacation request.**

**I love that we can do this anytime
& anywhere without worrying
about when someone is in HR.**

Employee self service in HR is an exceptional example of win / win. Employees value the empowerment and responsibility of maintaining their own information while employers gain significant time savings that allows HR to spend time on activities with higher value.

Our June Client Webinar will provide you with a greater understanding of what employee self service is, what the key benefits are and how affordable an opportunity it is for organizations of all sizes.

The seminar will cover topics such as:

- What is Employee Self Service & Benefit Enrollment?
- Trends in ESS Technology Adoption
- Trends in Benefits Management
- Benefits Open Enrollment Process & ESS Flow
- Advantages of ESS and Online Benefit Systems
- Making the Move to ESS & Online Enrollment
- Measuring the Payback

Business Technology Solutions provides monthly client educational web based seminars (Webinars) as a free service to our clients to keep you informed on how to be more successful and how to take advantage of specific technology and changes in the business environment. We welcome your participation and input.

Business Technology Solutions has been named as a Technology Pacesetter for the fifth year in a row by Accountants Media Group the publishers of Accounting Technology, Accounting Today, Practical Accountant and WebCPA.
